

We care about your health. Please help us.

We want you to arrive at your destination healthy and safe. That's why, together with our partners, including airlines, the federal police and the responsible authorities, we have implemented various safety precautions.

Please follow these instructions to **protect yourself, other passengers and employees** of the airport.

Please do not travel if you, a person in your household or a person you are travelling with shows symptoms of illness typical of the coronavirus (e.g. fever, cough).

For questions about the specific protective measures on the aircraft, please contact your airline.

The terminal services will also be happy to assist you further at the boarding pass checkpoint or the information desk.

Dear passengers,

To minimise the risk of infection from coronavirus at the airport, Cologne Bonn Airport is implementing a series of protective measures.

Please be considerate and help protect yourself and others.

Thank you, Your Cologne Bonn Airport

Please keep your distance

Avoid groups of people.

Do not shake hands or hug.

Masks are mandatory throughout the entire terminal

It is mandatory to wear a mask throughout the terminal.

Masks, disposable gloves and hand disinfectants are available at various locations in the terminals.

Very important: Hygiene

Wash hands regularly and thoroughly with soap (at least 30 sec.).

Use an elbow or handkerchief when coughing and sneezing.

There are disinfectant stands throughout the airport.

The toilets, self-service monitors, stair railings and all surfaces that need to be touched are being cleaned more often according to a stricter schedule.

Safely through the terminal

Please pay attention to ground markings and signs.

- ▶ Also pay attention to safety distances at check-in, the security checkpoint, in waiting rooms, shops and when boarding.
- ▶ The staff will inform you about changes in procedures and special precautions.

At the security checkpoint

Each passenger is only allowed one piece of hand luggage. All other luggage must be checked in at check-in.

- ▶ Please stow all small items in your hand luggage or outer clothing before proceeding to the security checkpoint.
- ▶ Please place hand luggage on the belt and then take off your shoes.
- ▶ Disposable gloves and protective masks may be worn when going through security.
- ▶ Oral and nasal covers or masks may have to be temporarily taken off during the security check if the security staff asks you to.
